*“I am the resurrection and the life. He who believes in me even though he dies, he shall live.”
John 11 : 25*

Gerry, you were full of hope, your hope reflected on all who dealt with you. You always looked forward to tomorrow; you wanted to keep enjoying life in its fullness.

You fought cancer with your positive attitude and abundance of hope that one day you would be healed.

Everyone admired your courage and your brave wish to win over cancer. You always kept your sweet smile and your cheerful spirit despite all the pain and suffering you were going through. You were the source of hope to all of us. It is the hope that the sun is behind the clouds and it will shine again.

You tried very hard; you didn't want to give up, you were hoping to overcome the illness. But it was more than you could handle, and then the Lord Jesus called you to join Him in the perfect and happy home where He wanted to relieve you from any more pain. You went with Him with joy and happiness. Your life was a wonderful source of inspiration and encouragement to all of us.

You extended our hopes beyond this world; you gave us the eternal hope, the hope of all hopes, The Hope in CHRIST Who gave us the eternal life. The hope that we will be together again.

Gerry, the hope you gave us will remain close to our hearts, because you are in our hearts; with your prayers for us you wipe away our tears; we feel your presence everywhere and at every moment.

Gerry, you were like the spring breeze, so gentle, so pleasant, so sweet and tender. Your heart is purer than gold. You loved everyone and everyone dearly loved you. You touched everyone's heart with your kind, generous and caring love.

Dearest Gerry, rest in peace and happiness. You are now in a much better place, in heaven in the presence of our loving God Jesus Christ, where there is no more sorrow, pain, tears or suffering and where He will take good care of you and bless you.

SEE YOU SOON
