“Even in Death Mum managed to raise funds”

A massive community fundraiser for the Kurrajong & District Hospital Society for 45 years, she single handedly earned tens of thousands of dollars. There was no escaping Mum when it was raffle time. It was easier to buy a book of tickets yourself, then risk the wrath of Mum or continually hassling your work mates.

Chairman of the Society Frank Swavely said it best when he finished his eulogy with”  
Vale Jean Petherick, you have left a lasting legacy to our society and you will be sadly missed by those of us who have been fortunate enough to have met you”

When you were diagnosed with a Brain Tumor in August 2008, we never knew that within 7 months we would lose you. You were so frightened of your illness, yet so brave. We are so thankful that you passed peacefully surrounded by your family.

Mum, there are so many memories, so many stories, that it is impossible to relay them all here. You had 7 children, 13 grand children and 5 Great Grand Children.

You were a fantastic wife, mother, mother in law, sister and friend.  
We all miss you dearly, and we will never forget you. We know that one day we will be united again, Love your Family
