

Yuletta Moffitt

We really have to wonder
At the loss of someone special
Surely this must be God's blunder
It's so unfair and brutal

4/7/68 – 5/11/07

We really have to wonder
There seems to be no reasons
You have left this world Yuletta
And all our hearts are bleeding

Some knew you for a lifetime
Some only for a while
But you left a special memory
Only in Yuletta style!

Teaching was your passion
And done so with great gust
110% into all projects
That really was a must

You would love a special outing
Those manicured nails on display
Fine dress, heels on, looking fabulous
Ready to dance the night away

Laughing and joking and living life
Always there to offer advice
An amazing strength and positive
attitude
You gripped it like a vice

Like a lion with her cubs
You protected and nurtured your boys
With a beautiful love of a caring Mum
They will remember you with poise

As long as we have memories
You will live on in our hearts

Thankyou Yuletta for being in our lives
May you Rest in Peace – God Bless

We will always love you.
