Did you know that when consumers stop smoking they are more likely to:

- Have less financial stress
- Feel less anxious and depressed
- Be abstinent from alcohol and other drugs
- Require less medication

Have a positive outlook and improved quality of life

Stopping smoking can have significant benefits to mental health recovery.

Have you talked to your consumers about the benefits of quitting?

Cancer Council NSW would like to thank Quit Victoria, NorthWestern Mental Health, Orygen Youth Health and EACH for allowing us to adapt and reproduce this resource.
